

Information on Joining the Rumson Recreation Trust Advisory Board

Mission: Rumson Recreation's mission is to provide recreational and community activities that are instructional in terms of the activity, but that also provide models of good sportsmanship, teamwork and provide social interaction for our residents in a controlled and safe environment. Our goal is for each participant to leave the activity feeling they learned something, had fun and feeling good about themselves. Activities include recreational and travel sports, crew, as well as community wide events.

Requirements: There are 7 appointed members, including the Chairman, who serve at the pleasure of the Mayor and Council and are appointed for 5 year terms, unless they are filling an unexpired term of a former member, then they will assume that member's term date. Members may be re-appointed to a second term. Recreation Board meetings are open to the public and are held 10 times a year. The meetings are held on the third Wednesday of each month at 7pm, except December and July, and typically last 2-3 hours (although they could go longer). Interim meetings may be called by the Chairman as necessary. Members are expected to make at least 80% of the meetings in a 12 month period. In addition, members may be asked to take a leadership role on a particular sport or activity, attend interim working group committee sessions, and attend Community events as a recreation representative.
